# PUBLIC STATEMENT

Date: 09/09/2025

On Tuesday 19th August 2025, 7 Armed AFP officers came to my residence with search warrants, unnecessary an act of intimidation. My electronic devices were seized, usb drives everything Checked. Mind you the evidence the AFP is in possession of is against its own Commissioner Reece Kershaw, The High Court was made aware of my intention in 2022 that I would bring Criminal Charges Against Him.

This will not be taken likely.

Global News has already been alerted.

I have been in contact with other Government Departments & The High Court Of Australia.

I wish to give access of my interview Audio & Video that I had with the AFP to The Australian & International Community I have the link and password waiting for the AFP to confirm.

The afp have an enormously bad record of doing alot of bad things.

The Afp has a massive corrupt history here is just a crumb reported by media.

Please have a look.
