Court of Australia

Subject: Constitutional Writs – Australian Federal Police Seized Items and Related Documentation

Respectfully,

I write in reference to the Constitutional Writs intended to be lodged “within two weeks” as per correspondence dated Saturday, 1 November 2025, at 9:50 AM.

Due to the complexity of the matter, I regret to inform you that there will be unavoidable delays in lodging the writ. I extend my sincerest apologies for this delay.

As part of the writ, I will be invoking the requirement that the Australian Federal Police provide to the Court seized items of mine for review, specifically:

- **Australian Federal Police Document No. M 307584**
- **Item Number GT001**
- **Item Number GT002**
- All information collected by the Australian Federal Police on **19 August 2025 at 09:11 AM**

These items and evidence, collected by the Australian Federal Police, constitute the same evidence that will be relied upon against them. Additional documents will also be provided by me in due course.

Given the substantial volume of documentation, I respectfully request directions from the Court regarding the appropriate method of submission.

This matter is of significant magnitude. Accordingly, I have carbon copied the following parties to ensure transparency and that both the Australian and international communities remain informed of the process:

- The Governor-General of Australia
- The Attorney-General of Australia
- The Solicitor-General of Australia
- The Current Prime Minister and three former Prime Ministers of Australia
- Interpol, Europol, and other relevant international organisations
- Global news agencies
- The Department of Foreign Affairs and Trade (DFAT)
- The Magistrates Association
- The International Bar Association
- The British Institute of International & Comparative Law
- The New York State Bar Association
- The American Bar Association

Yours faithfully,

Gerrard Tate
