Identity Of B1 & B2.pdf;

CLASSIFICATION: UNCLASSIFIED

CAVEATS: None

To: Global Press Organisations The High Court of Australia All Individuals Carbon-Copied into this Correspondence

1 document attached

The tip of the iceberg.

Attached are the identities of B1 & B2.

I write to formally notify all recipients that I am preparing to lodge an urgent application before the High Court of Australia concerning matters that raise issues of profound public importance and potential national significance.

A document is attached to this correspondence, which I describe as *the tip of the iceberg*. It contains information identifying two individuals—referred to herein as **B1** and **B2**—whose activities, as I intend to present them, relate to a range of serious criminal enterprises, All with the blessing and approval of The Rupert Murdoch Press Empire Globally Not Just In Australia.

- Drug trafficking
- Extortion and stand-over conduct
- Operation of unlawful gambling enterprises
- Usurious lending and loan-sharking
- Money-laundering activities
- Acts of violence, including allegations of homicide
- Firearms-related offences
- Improper political interference
- Blackmail, Pimping, Its A Major List

Reference to Existing Investigative Material

The Australian Federal Police (AFP) is currently in possession of certain materials relevant to these matters, including electronic communications. I refer specifically to:

- **AFP Document No. M 307584**
- **Item Number GT001**
- **Item Number GT002**

These materials were collected by the AFP on **19 August 2025 at 09:11 AM from Me which includes documents, text messages etc.**

Legal Framework Potentially Engaged

- *Criminal Code Act 1995 (Cth)*
- *Australian Federal Police Act 1979 (Cth)*
- *Proceeds of Crime Act 2002 (Cth)*
- *Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (Cth)*
- *Crimes Act 1914 (Cth)*
- Relevant State and Territory criminal legislation

Additionally, constitutional considerations may arise under:

- *Chapter III of the Commonwealth Constitution (Judicial Power)*
- *Section 71 (vesting of judicial authority)*

- *Section 72* (tenure and protection of Justices)

I also note that the High Court has historically affirmed the importance of judicial independence and institutional integrity in cases such as:

- *Kable v Director of Public Prosecutions (NSW) (1996) 189 CLR 51*
- *Forge v Australian Securities and Investments Commission (2006) 228 CLR 45*
- *Momcilovic v The Queen (2011) 245 CLR 1*

These cases underscore the constitutional imperative that courts remain free from improper influence or interference.

Request for Protective Measures

Given the seriousness of the matters I intend to raise, and without asserting that any specific threat presently exists, I respectfully request that the **Governor-General of Australia**, acting within the scope of constitutional and statutory authority, consider whether temporary special protective arrangements for the **seven Justices of the High Court of Australia** may be appropriate.

This request is made out of an abundance of caution and reflects my concern for the preservation of judicial independence and the safety of those entrusted with the administration of justice.

I further request that consideration be given to whether the Australian Federal Police should continue to hold responsibility for such protective functions, pending the resolution of the issues I intend to raise.

"The Tip Of The Iceberg"

Sincerely,

Gerrard Tate
